

Abbey Hey Primary Academy
The best in everyone™
Part of United Learning

Save the date!

On Friday 17th February you are invited to attend our first National Numeracy Parental Engagement morning. You will find out more about everyday Maths and have some fun in class with your child. You are not expected to do any Maths on the day!

This week's learning.

- Nursery have created castles, dens and pirate ships with their den making equipment. Aydin, aged 4 said "This is the best Nursery!"
- Reception have been filling the new frog pond in preparation for the arrival of tadpoles in the Spring!
- Year 1 have been learning about the artist Georges Seurat in Computing. They used the Paintz computer program to create a piece of work inspired by his paintings.
- Year 2 have been learning about the human and physical features of hot and cold deserts.
- Year 3 have enjoyed reading newspaper reports, especially 'Who Pushed Humpty Dumpty?'
- Year 4 have been working scientifically using thermometers to test the temperature changes of water.
- Year 5 have been learning about The Eightfold Path which is a philosophical approach to life based on the teachings of Buddha.
- Year 6 have learnt about the significance of the River Ganges to Hindus. The children then considered places that were special to them and why.

A special place to me is my dd house because that's where I used to play with my dogs, who passed away. I would like to go back to put flowers to remember them.

Celebrations!

We love reading at Abbey Hey and are very proud of the number of books/words some of our Year 4 pupils have read so far this year. Sofia has read 76 books, Isaac has read 134,461 words and Eliana has read 286,157 words...staggering!

Reading

Abbey Hey Primary Curriculum Evening - Thursday 16th February

Welcome to our second sensational Curriculum Open Evening - there are some very exciting activities taking place so please visit each curriculum area. Each area will have a sticker to collect. Collect them all and hand your form into the office to be in with a chance of winning a fabulous prize!
