Happy New Year!

Welcome to our first newsletter of 2023.

We are still keen to share your celebrations from home...share with Mrs. Melia via Dojo.

This week's learning.

- Nursery have been exploring numbers 1-5. They have been counting, identifying numerals, forming numbers and singing lots of counting songs.
- Reception have enjoyed exploring the new castle role play area this week.
- Year 1 enjoyed a special sports session, where a sports coach taught them how to play ultimate frisbee.
- Year 2 have started a new Writing unit based around the book Paddington's Post. They will be writing letters to Aunt Lucy about Paddington's funny antics during his time in London.
- Year 3 have learnt that Egyptians lived at the same time as prehistoric Britain's and that Egypt is in the continent of Africa.
- Year 4 have resumed their swimming lesson...the aim is for everyone to achieve their 25m award in 2023!
- Year 5 have been learning about Buddhism in RE. They have learnt about Buddha's spiritual journey to enlightenment.
- As part of their new Geography topic, Year 6 have had two 'visits' from special guests who spoke about their experiences of forced and voluntary migration.

Celebrations!

We have received a very special letter from the Palace!

When we learned of the sad death of Her Majesty Queen Elizabeth II, some of our pupils wrote to King Charles to offer their sympathy and share their memories of the Queen's reign. We were thrilled to receive a reply last week.

We have relaunched MyON in school.

This online platform allows our pupils to access a huge range of books, magazines and activities.

We'd love to hear your children's recommendations and favourite reads.

Share via ClassDojo and these will be included in future newsletters!

Continue the conversation at home...

Will science solve the world's problems?

In which **areas of learning** do you use **science**?
Explain your answer.

How do we **use science** in **everyday life**?
Explain your answer.

What do you think makes a **successful scientist** and why?

Share your successes!

We are going to set up an Abbey Hey Alumni page on our website, where we will celebrate the successes of our past pupils. If you would like to submit a short video to go on our page, please email it to
