Part of United Learning

Sports Week!

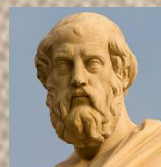

Weather permitting, Abbey Hey will be getting fit and having fun next week. We'd love your support at your child's sport day.

(See upcoming dates below)

This week's learning.

- Nursery have been learning about patterns and have made wonderful AB repeating pattern snakes.
- Reception have been drawing around their shadows and enjoyed ice pops to keep cool!
- Year 1 have been learning about moving mechanisms in DT. They created a moving picture with a slider.
- Year 2 have been reviewing their understanding of continents, and learning about the rivers, seas and oceans.
- Year 3 have enjoyed comparing Ancient Greek Democracy with the UK's democracy. The children were shocked to find out that only males over the age of 20 were able to vote in Ancient Greece!
- Year 4 have begun their historical enquiry learning about Gorton Mill. They visited the site and explored the canal route used to transport the cotton.
- Year 5 have been learning about the universe, galaxies and the solar system in Science
- Year 6 have been learning about ancient philosophers, such as Plato. He believed our physical body and soul are two separate things.

Celebrations!

Lincoln in Year 3 made the Manchester Evening News after celebrating Manchester City's treble winning season!

Year 6 visited Manchester University this week. They had a tour of the campus and learnt about university life, courses and societies.

Home Information Sheet

Your latest topic results:

Continue the conversation at home...

Do you care about our rivers and seas being clean?

How often do you visit **rivers and seas**?
What do **people** do there?

Do you feel that the rivers and seas that you've seen are **clean**?

What would you **say** to the water companies who are **putting waste** in rivers and seas?
