

## Welcome back!

It's so lovely to see you all over the half term holiday.

Please can we remind you that the gates open at 8.30am and school starts at 8.45am.

Thank you!

### This week's learning.

- Nursery have been making cards for the special people in their lives. They've also been learning the sing the song 'Daddy Cool'!
- Reception experimented with celery by putting it into water and leaving it in the sun. They were amazed to see the leaves change colour!
- Year 1 have been learning the seven continents of the world. They can name them all from largest to smallest!
- Year 2 have been learning about the historical explorers Sacagawea and Michael Collins, and the importance of their expeditions.
- In DT, Year 3 have enjoyed learning about food preparation and safe storage, in preparation for making their own healthy salads.
- Year 4 have been exploring diversity and discussing how diversity can be categorised in our classrooms.
- Year 5 have been planning their own mystery and suspense stories based on The Water Tower.
- Year 6 have been discussing how as we get older, our responsibilities increase. This is linked to their upcoming transition to high school.

## Celebrations!

The weather has been lovely, and our flowers are blooming!

Congratulations to Patrik in Year 4 who received a trophy for his excellent goalkeeping!

We have lots of exciting events planned this half term – keep your eyes peeled for an events list coming soon.

Should Primary school pupils take tests?

Which tests have you taken recently? How did you feel about them?

Do you think tests should be very difficult? Why or why not?

What other ways can you think of to check how a pupil is doing in school?
