

Mathematical Skills I will be taught:

Place value Addition Subtraction

Grouping Sharing Shape Length & Height Weight & Volume

Fractions Position & Direction Money Time

Working as a Mathematician, we will:

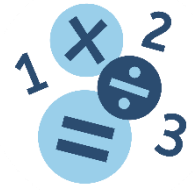

Count Sort Represent Partition Compare

Order Find Recognise Group Measure Describe

Learning as a mathematician could lead me to become a...

Mathematical Skills I will be taught:

Place value Addition Subtraction Multiplication Division

Grouping Sharing Shape Length & Height Weight & Volume

Fractions Position & Direction Money Time Statistics

Mass, capacity & temperature

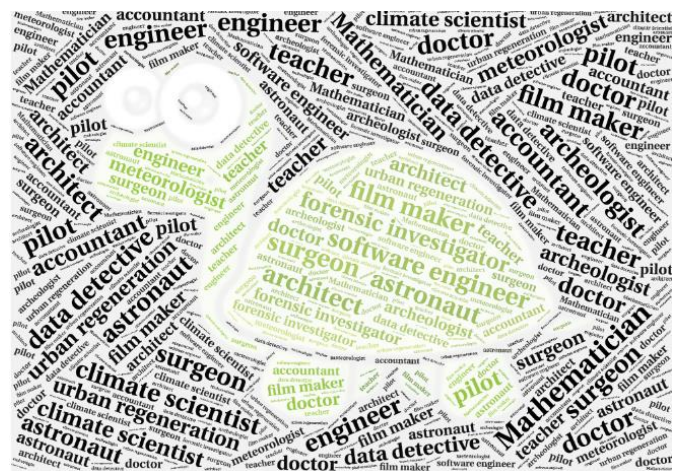

Working as a Mathematician, we will:

Count Sort Represent Partition Compare

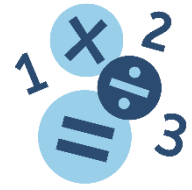

Order Find Recognise Group Measure Describe

Estimate Select Redistribute Interpret Draw

Learning as a mathematician could lead me to become a...

Mathematical Skills I will be taught:

Place value Addition Subtraction Multiplication Division

Grouping Sharing Shape Length & Height Weight & Volume

Fractions Position & Direction Money Time Statistics

Mass, capacity & temperature Area & Perimeter

Working as a Mathematician, we will:

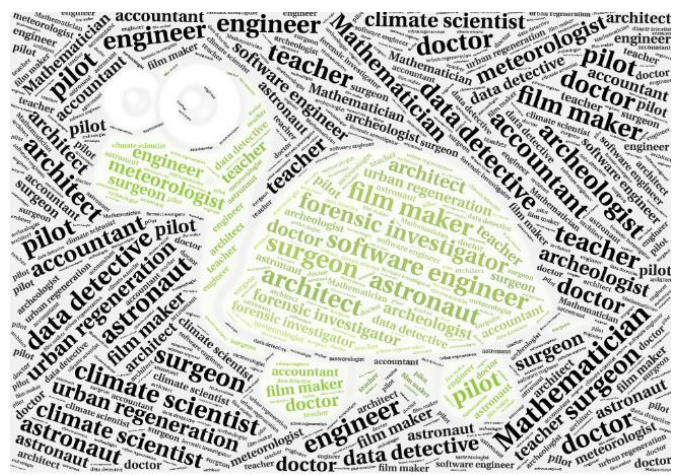

Count Sort Represent Partition Compare

Order Find Recognise Group Measure Describe

Estimate Select Redistribute Interpret Draw Check Scale

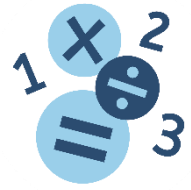

Convert Calculate

Learning as a mathematician could lead me to become a...

Disciplinary Knowledge Year 4

Mathematical Skills I will be taught:

Place value Addition Subtraction Multiplication Division

Grouping Sharing Shape Length & Height Weight & Volume

Fractions Position & Direction Money Time Statistics

Mass, capacity & temperature Area & Perimeter Rounding Negative Numbers

Roman Numerals Decimals

Working as a Mathematician, we will:

Count Sort Represent Partition Compare

Order Find Recognise Group Measure Describe

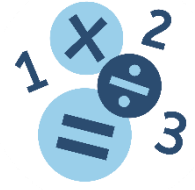

Estimate Select Redistribute Interpret Draw Check Scale

Convert Calculate Round

Learning as a mathematician could lead me to become a...

Mathematical Skills I will be taught:

Place value Addition Subtraction Multiplication Division

Grouping Sharing Shape Length & Height Weight & Volume

Fractions Position & Direction Money Time Statistics

Mass, capacity & temperature Area & Perimeter Rounding Negative Numbers

Roman Numerals Decimals Percentages

Working as a Mathematician, we will:

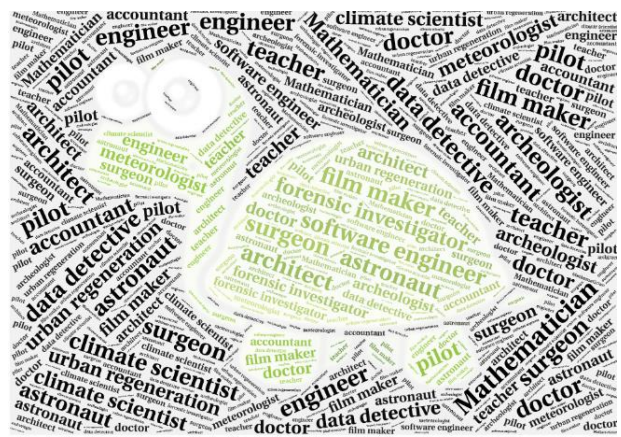

Count Sort Represent Partition Compare

Order Find Recognise Group Measure Describe

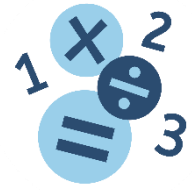

Estimate Select Redistribute Interpret Draw Check Scale

Convert Calculate Round Translate Reflect

Learning as a mathematician could lead me to become a....

Mathematical Skills I will be taught:

Place value Addition Subtraction Multiplication Division

Grouping Sharing Shape Length & Height Weight & Volume

Fractions Position & Direction Money Time Statistics

Mass, capacity & temperature Area & Perimeter Rounding Negative Numbers

Roman Numerals Decimals Percentages Algebra Ratio
