

### Christmas Card Competition

We are holding a Christmas Card competition to design our school's official cards for this year and there will be a winner from each year group.

If you would like to take part, please return your design to school on Monday morning.

You can use any colours or mediums you like to design your card but as the design will need to be printed onto cards, unfortunately designs including glitter, 3D etc. won't work.

We can't wait to see your designs!
