The best in everyone™

Part of United Learning

Thursday 6th September 2018

Dear parents,

On Monday 10th September our year 1 children have a VERY exciting day ahead! To start our Superheroes topic with a BANG! we will be welcoming **Aqua Dan** for an amazing workshop.

We will be looking at many of the famous and not so famous superheroes, villains, sidekicks, non-humans and team ups from Captain America to Wolverine, Doctor Octopus to Magneto, Robin to Falcon and X-Men to The Avengers.

During the day we will bring superheroes to life by looking at a wide range of weapons, gadgets and costumes used by superheroes over the years such as Batman's Batarangs, Spider-Man's mask, Superman's cape, Wolverine's dog tags, Iron Man's arc reactor, Wonder Woman's lasso of truth and more!

We will open up our eyes to the wide range of superheroes from all backgrounds, nationalities, religions, races and gender and learn about different places and cultures using the superhero theme.

We will look back at the history of superheroes and comics to give our children an understanding of the long and rich history over the 80 years since Superman debuted in 1937.

Aqua Dan will lead the classes in drawing a comic book cover, getting the children to brainstorm the different parts they should draw, getting the little crime fighters to use their imagination, listening and drawing skills.

An interactive storytelling session will encourage the children to develop a love of books and reading.

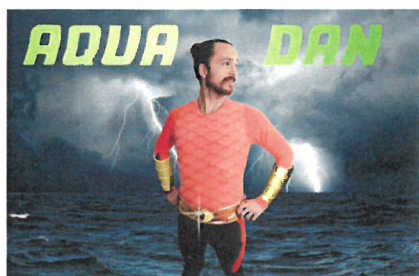

Our children will be running around, taking part in co-operative team activities and blowing off some superhero steam!

This will be a fantastic start to our new topic.

For this full day of activities we are politely asking all parents to make a voluntary contribution of £1.50 to help cover the cost of the workshop. Please give this to your child's class teacher.

Thank you for your continued support
