

What is my family history?

Prior Learning
Reception: >Personal, Social and Emotional Development I can speak to others about own needs, wants, interests and opinions. I can describe their self in positive terms and talk about abilities. >Understanding the World: People and communities. I enjoy joining in with family customs and routines.
Following on
Year 2: Local History. How has my community changed over time? >Change I will learn changes within living memory I will look at significant historical events, people and places in their own locality. I will be able to explain what the future is in relation to myself and make predictions about the future. I will learn to talk about the physical properties of objects and decide what is used for.
