

**Abbey Hey Primary Academy**

The best in everyone™

Part of United Learning

Dear parents and carers,

This half term, Year 6 are learning about the Victorians and the Industrial Revolution, and as you may have seen, across the road from school, there is some excavation work. This work is actually an archaeological dig being conducted by Salford University who are hoping to find the remains of a Victorian mill that stood on the site. Around the site are pictures and information which are available for everyone to learn about the local area – feel free to take your children over and explore this together.

We have arranged a visit for **Monday 28<sup>th</sup> January** to meet the head archaeologist and her team to explore and learn about what they have found during their work, the history of the mill and what life was like for those who worked there. As the visit is local to school and a fantastic opportunity to further enhance the children's learning and local understanding, we would like to take this opportunity whilst it is available to us.

If you **DO NOT** give permission for your child to attend the visit, please sign and return the slip below to your child's teacher by Friday 25<sup>th</sup> January.
