

Our Vision:

At Abbey Hey, we are committed to bringing out the Best in Everyone. We will do this with a creative and relevant curriculum which will inspire and motivate pupils to become the best that they can be.

We will nurture and support our children and equip them with the skills they need to become confident, determined and respectful young adults who have exciting and ambitious aspirations for their futures.

Abbey Hey pupils will achieve academic excellence through a curriculum which teaches them essential skills for life such as cooperation, teamwork, resilience and respect both for others, their environment and themselves.

We understand and value the importance of the local community and recognise the positive impact it has on school life. Working together in partnership, ultimately leads to, 'The Best in Everyone'.

Our Vision is underpinned by our Core Values:

Ambition – to achieve the best for ourselves and others

Confidence – to have the courage of our convictions and to take risks in the right cause

Creativity – to imagine possibilities and make them real

Respect – for ourselves and others in all that we do

Enthusiasm – to seek opportunity, find what is good and pursue talents and interests

Determination – to overcome obstacles and reach success

The Next Five Years...2019-2014

- **Continue to improve Outcomes:**

We will become a school with remarkable rates of progress and attainment which will put us in the top 5% of the country.

- **Community:**

We will be recognised within the local community as a hub of excellence,

To further enhance our capacity to support our wider school community by providing access to health and social care and Abbey Hey becoming a hub of the local community.

Further improve links with the local community and business

- **Curriculum:**

To further embed and develop a thought-provoking curriculum which broadens experiences and prepares our children for life in modern day Britain.

- **School Environment:**

Improvements have been made to the school environment and outdoor area making it fit for purpose, safe and reflecting the core value of high expectations and The Best in Everyone.

- **Staffing:**

Succession planning in place for high quality teaching and leadership.

- **Staff Professional Development:**

All staff have access to the highest quality professional development to enable them to deliver lessons of the highest quality across all areas of the curriculum.
