## This week's learning

- Nursery have been settling in and making lots of new friends. They've also been eating some delicious dinners with their new friends!
- Reception have spent their time settling in, making new friends and exploring their new classrooms. They have been mark making in flour, singing on the stage and finding out what's in the feely bag!
- Year 1 began their exciting new science topic: plants. They explored key vocabulary that will support their learning throughout the unit.
- Year 2 have been learning about the anatomy of a seed by dissecting it and looking inside!
- Year 3 began learning about the United Kingdom. They have been using the 8 points of a compass to decide on which direction they would need to travel from place to place.
- Year 4 have been learning about how important failure can be to the learning process.
- Year 5 have been learning about growth mindset in PSHE.
- Year 6 have been having lots of fun! Some pupils headed off to Robinwood while others enjoyed Forest School. Can you guess who they made a portrait of?

### School Photos

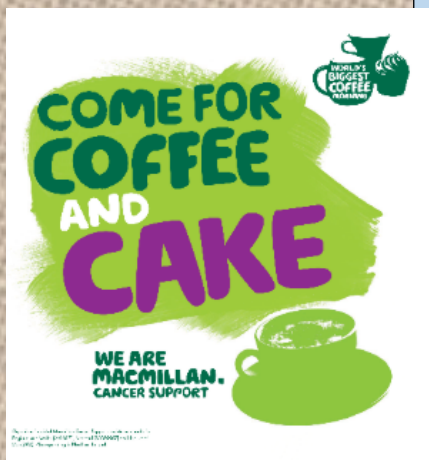

Individual and sibling photos will take place on **Monday 22<sup>nd</sup> September.**

## Tea & Toast

**Join Clancey and Julie (Miss Conlen) for free tea and toast in school every Friday morning from 8:30am.**

**Come for a chat, a brew and even a bit of breakfast - we would love to see you!**

### Macmillan Coffee Morning

We will be hosting a coffee morning to raise money for Macmillan on **Friday 26<sup>th</sup> September.**

**Infant hall – 8:45-10:30am**

**We hope to see you there!**

If your child receives any certificates, trophies, or medals for out of school activities, please send Miss O'Neill, or their class teacher, a message via Dojo. We would like to celebrate them in our newsletter.

## SHOULD SKINCARE PRODUCTS HAVE AGE LIMITS?

*For*

our final VoteTopic of the year, we asked young people what topics they want to discuss and teen skincare trends came out on top! Platforms like YouTube and TikTok have increased the visibility and appeal of skincare products for younger generations, meaning those as young as 9 are developing skincare routines. Whilst some products pose little threat to young skin, others contain ingredients that can cause lasting damage and aren't recommended for children and teenagers. We asked our voters to consider whether age limits would ensure skincare products with unsafe ingredients aren't sold to those under a certain age.
