## This week's learning

- Nursery have been thinking about which pets they would like to have. The children had lots of good ideas including chicken, pigs and cats.
- Reception have been practicing their balancing skills by placing a bean bag on top of their heads and trying to make sure it doesn't fall off!
- Year 1 have completed their phonics screening assessments. All the staff wanted to say a huge well done to each and everyone of the children for all of their hard work and determination. Great work!
- Year 2 have been investigating how to change a solid to a liquid by heating it up and how to change a liquid to a solid by freezing it. They melted chocolate in a saucepan and then put it in the freezer to make it a solid again.
- Year 3 had so much fun in their Forest School sessions. They climbed trees, explored the pond area, toasted marshmallows on the campfire, and even did some meditation!
- Year 4 practiced presenting their discussions by sharing their thoughts on arguments such as are cats better than dogs?
- Year 5 have been learning about the first homo sapiens in History.
- Year 6 have been learning how to draw self-portraits.

### Non-uniform day

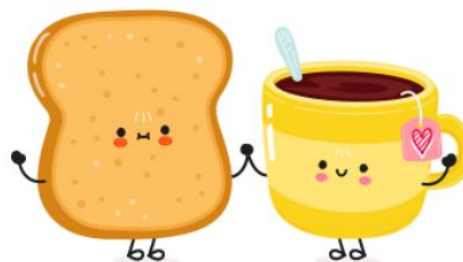

Children can come to school in their own clothes on Friday 27<sup>th</sup> June.

We are asking for donations of chocolate for our chocolate tombola at the Summer Fair.

If your child receives any certificates, trophies, or medals for out of school activities, please send Miss O'Neill, or their class teacher, a message via Dojo. We would like to celebrate them in our newsletter.

## Tea & Toast

Join Clancey and Julie (Miss Conlen) for free tea and toast in school every Friday morning from 8:30am.

Come for a chat, a brew and even a bit of breakfast - we would love to see you!

### Summer Fair

Our Summer Fair will be held on Friday 11<sup>th</sup> July from 2pm – 4pm.

Children will finish school at 1.45pm.

## VOTESFORSCHOOLS NEWS

### **46,138 VOTERS HAVE THEIR SAY**

Do young people understand the consequences of carrying a knife? The majority of voters say Yes.

Visit [www.votesforschools.com](http://www.votesforschools.com) for the full story.

### **UP FOR DISCUSSION: CHANGING FRIENDSHIPS**

This week, voters will be answering the question: "Is it easy when friendships change?"

Why not discuss what you think about this question at home? How do you navigate changes to your friendships?

### **THIS WEEK'S BIG READ: GHOSTS IN POP CULTURE**

Belief in ghosts has been around for almost as long as humans have. They have featured in stories and folklore, and are also an important part of religious and spiritual beliefs worldwide, often because they are a way for living people to communicate with those who have died.

But ghosts are not just important in these areas of our culture: they are also big characters in films, TV shows and songs. They are usually connected to a specific place, person or possession, and can cause havoc for the humans they interact with!

### **GUIDED READING CHALLENGE**

- For how long have humans believed in ghosts?
- When might we hear or read about ghosts?
- How do ghosts help the living?
- What are ghosts often connected to? Find one example.
- What do you think "havoc" means?

## **Upcoming dates...**

- W/C Monday 16<sup>th</sup> June – Sports week
- Thursday 10<sup>th</sup> July – Abbey Fest
- Friday 11<sup>th</sup> July – Summer Fair
