ACTIVITY 3. CREATE: WALK ON TIPTOE

Walk on tiptoe, not a sound
'Til Tamino can be found.

We must not be seen 'til then or
they will catch us and they'll lock us up again.

We must not be seen 'til then or
they will catch us and they'll lock us up again.

Oh Tamino!
Softly, softly, there's a better way to find him.

Here's an end to all our sorrow,
Here's an end to all our fear,
For Tamino must be near.

Here's an end to care and worry,
We must hurry, we must hurry, we must hurry!

Here's an end to care and worry,
We must hurry, we must hurry, we must hurry,
We must hurry, we must hurry, we must hurry,
We must hurry, we must hurry, we must hurry!

ACTIVITY 3. CREATE: PAPAGENO'S ARIA

I'm sure that there could never be,
a more contented man than me.

I earn my living as I please,
I charm the birds from out the trees.

I set my nets against the sky,
I call the birds and down they fly.

So when you hear my music play,
you'll know that I'm not far away.

ACTIVITY 4. CREATE: HM! HM! HM!

Hm! Hm! Hm! (etc.)

Poor Papageno I can see
you have been commanded not to speak.
Alas, I'm powerless to free you
the spell is strong and I am weak.

I cannot tell how I can help you,
The spell is strong and I am weak.
I don't know how to help you speak,
The spell is strong and I am weak.

The Queen of Night has ordered me
to break the lock and set you free.

Now Papageno's free to chatter,
but falsehood is another matter.

I'm done with lying I repent!
You won't forget this punishment?
I won't forget this punishment!

A world of love could be created
if only lying tongues would cease

Deceit and greed would be frustrated
and we would lead our lives in peace.

Deceit and greed would be frustrated
and we would leave our lives in peace.

ACTIVITY 3. LEARN: PA...PA...PA...

Pa... Pa... Pa... (etc).

Will you stay with me forever?

Yes, I'll stay with you forever.

Now at last we'll be together.

Two little lovebirds of one feather.

Yes. Now at last we'll be together.

First there's a little Papageno.

Then there's a little Papageno.

Then there's another Papageno.

Then yet another Papageno.

Papageno! Papageno! Papageno! Papageno!
(Papagena! Papagena! Papagena! Papagena!)

You'll see their parents burst with pride.
Papageno! Papageno! Papageno! Papageno!
(Papagena! Papagena! Papagena! Papagena!)

You'll see their parents burst with pride.

You'll see their parents burst with pride.

You'll see their parents burst with pride.
