Reading Policy

At Abbey Hey, we value reading as a key life skill and are dedicated to enabling our pupils to become lifelong readers.

Phonics

- Children begin to learn phonics in the Nursery.
- All children have access to speaking and listening taught sessions daily (15 mins approximately). In the Spring term (or when the child is ready) children will begin Read Write Inc Set 1 sounds.
- They will learn new sounds each week, linked to the speed sound chart displayed in each classroom.
- Phonics is taught using the Read Write Inc programme daily and consistently throughout EYFS and Key Stage 1, until the child is ready to progress onto more formal Read Write Inc comprehension sessions.
- Children will be placed in groups that meet their phonic need, and this will be regularly reviewed by the phonics leaders through regular assessments,
- Wherever phonics is taught, a Read Write Inc display which includes the speed sound chart must be displayed.
- Phonics is taught by all members of EYFS and KS1 staff and will be regularly observed. Examples of good practice can be found on the Read Write Inc School Portal.
- Reading Leaders are released during phonics time to coach other reading teachers which ensure a high quality of teaching and fidelity to the Read Write Inc phonics scheme.
- All phonic practitioners should be in constant communication regarding children's needs. Early intervention is essential, especially in Reception. 1:1 fast track tutoring may be necessary for some children to keep up with the programme.
- Reading Leaders are in weekly contact with the Head of School to ensure everything is place for children who have gaps in their phonics knowledge.
- All Read Write Inc resources will be given to staff.
- It is expected that children will complete the Read Write Inc phonics programme by the end of Autumn term in Year 2 and then children in Year 2 will move onto the Read Write Inc Comprehension programme.
- After Read Write Inc is complete, children will be fluent readers who can decode, therefore comprehension skills will become a focus.
- Children in Years 3 and 4 who didn't pass the phonics screening check (PSC) and are working below the level expected for their age, will have daily 1:1 fast track tutoring.

Phonics and Reading in Reception, Year 1 & 2

- Texts are a mixture of phonically decodable books and 'real' books.
- Teachers familiarise children with books, including modelling handling. Children are taught about layout, structure, reading from left to right and using pictures.
- Although Phonics sounds will be referenced in RWI Comprehension sessions, the focus of the sessions should mainly be on understanding.
- Sessions should have a reading learning objective that provides focus for learning.
- Depending on the book used, reading the whole book may take more than one session.

- All teachers in EYFS and KS1 will follow the Reading Long Term plan, developed by reading leaders and teachers. Each book has a focused reading learning objective, and each book is suitable for the particular year group.
- Additional texts are provided for each term giving teachers and children a wide range of texts to choose from.
- Book talk is a huge aspect for reading in EYFS and KS1 and oracy questions stems are used in each lesson to support with this.

Accelerated Reading

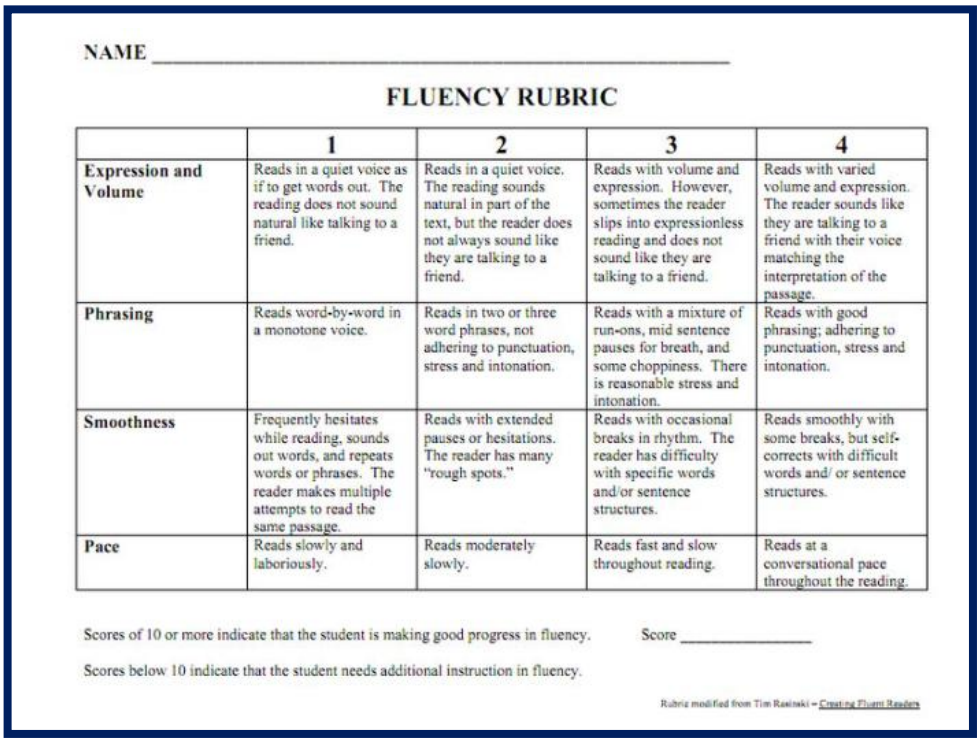

- Children complete Star Reading Tests on Accelerated Reader at the beginning of each half term.
- When children have completed reading an AR book, they must take an online quiz.
- When children have completed 3 quizzes and scored 80% or higher, they then move onto the next level.
- Children should be read to by an adult every day. All classes will have a class text that is shared with the class at the end of every day for 15 minutes as a minimum.

Learning with Parents

- We use learningwithparents.com as an online platform for reading.
- While using this our vision is to ensure that every child is supported at home to fulfil their potential.
- Learning with parents supports all families to have a positive learning interaction together. They drive inclusive parental engagement by partnering with schools to ensure successful reading at home for all children.
- This is an online website which will allow parents and teachers to community about their child's reading.
- Children can record voice notes of their child reading and share photos.
- Reminders will be sent to parents so that all children keep up with reading at home.
- Teachers in school will use this platform to record when they have listened to a child read in school.
- Class Dojo points are awarded to recognise reading at home.

Fluency Rubric

- Bottom 20% readers complete a Fluency Rubric weekly with an adult to develop fluency.
- This rubric is used by the teacher and student to assess reading fluency.
- The rubric will help students and teachers pinpoint the reader's strengths and areas for development so that they can practise, grow, and become better readers.
- When children become fluent readers, they are able to focus on the meaning of the text.
