

Dear Parents/Carers,

Well, 2026 is here! The children have settled back in well and have been eager to learn – let's keep this going! Let's make this half term an amazing term for learning and experiences as we head towards SATs in May.

This letter will tell you the information that your child will be learning about in class. Further information about their learning can be found on our school website.

Getting Ready to Come to School

Children will need to come to school every day:

- Wearing their school uniform
- With their bookbag and water bottle
- Ready to learn!
- The doors open at 8:30!

Our Learning:

English 	In writing, we are going to be crafting narratives, focusing on using dialogue to advance the action and convey character as well as a range of non-fiction styles.
Reading 	In reading, we will be continuing to build on the reading skills of retrieval, sequencing, predictions, defining and inference across a range of texts.
Maths 	This term in maths we are completing our study of fractions, decimals and percentages as well as converting measures. We will also learn how to use algebra and ratio and proportion.
Science 	Our science focus this half term is Physics, studying light to discover how it travels, how we see and how the eye works.
Geography 	Our focus this term is the Anglo-Saxons, investigating who they were, where they lived and delving into how historians have learnt about these groups of people through archaeological evidence.
Art 	In Art, we are going to be looking at a range of artist and how they have overcome challenges to develop their own unique styles. We will take inspiration from these artists to create our own masterpieces.
Computing 	In computing, we will be using 3D modelling technology to create different media.
Music 	We will be developing our singing skills, pitch, dynamics, pulse and rhythm across a range of songs.
RE 	In RE, we are learning about the diverse ways Hindus build a sense of community through festivals and pilgrimages.

<p>PSHE</p> 	<p>In PSHE this term, our topic is Keeping Safe in which we will look at drugs, peer pressure and emergency first aid techniques to help us stay safe in the world we live in.</p>
<p>PE</p> 	<p>The focus this term is dance where we will be focusing on understanding the importance of fair play and honesty while self-managing games, as well as developing our ability to evaluate their own and others' performances</p>

PE

Below is the day your child will take part in PE.

On this day your child must wear their PE kits to school.

Oak Class – Friday

Elm Class – Friday

Cedar Class – Friday

Homework

- Please read with your child at least 4 times a week and record it on learning with parents. Please upload pictures and audios of your child reading.
- Read your child's library book. There are also hundreds of books available to read on MyOn!
- Practice spellings on RWInc Spelling – children can access activities of rules they need more practice at.
- Complete any paper homework if sent home by your child's teacher.
- Complete Learning By Questions online learning which will be set each week by the class teacher.

If you require any additional information, please contact your child's class teacher on ClassDojo, who will be happy to assist you.

Thank you for your continued support,

Yours sincerely,

The Year 6 team
