

# How to access online reading books

At Abbey Hey, we are doing all we can to ensure that our children are able to continue their learning even though the school is closed. In order to ensure that all children can continue to read daily, we now have access to Accelerated Reading books which are now available on line for every child to access.

Teachers will put a link to the website on their daily Microsoft Sway.

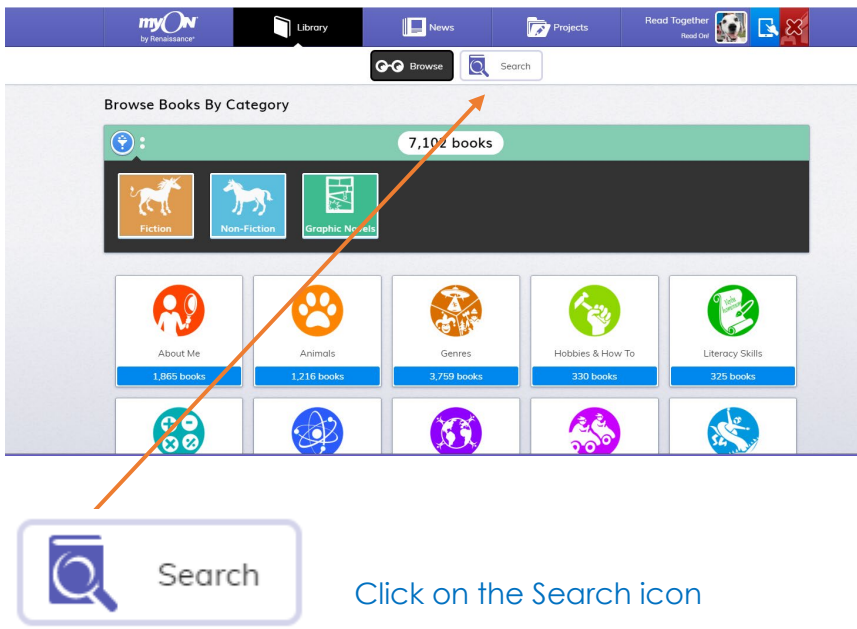

1.

<https://readon.myon.co.uk/>

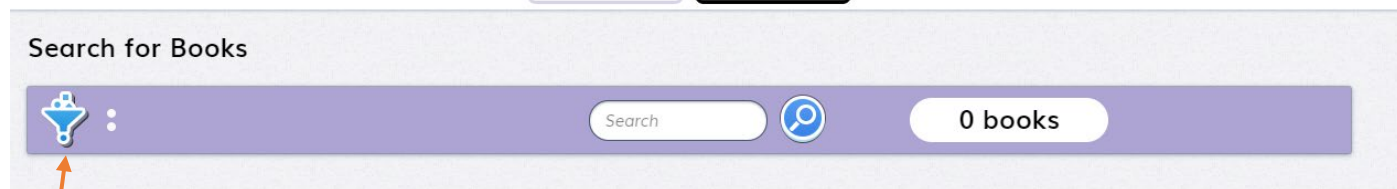

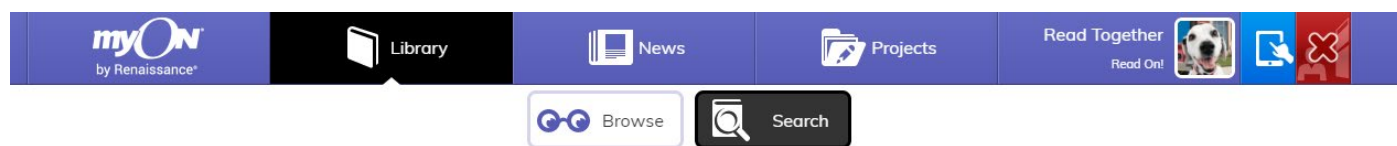

- Click on Start Reading

2.

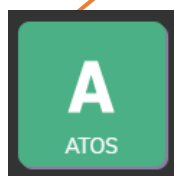

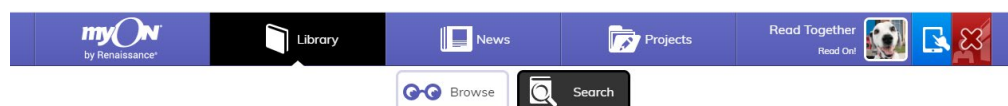

## How to access online reading books

3.

Click on the filter icon

4.

Click on the ATOS icon

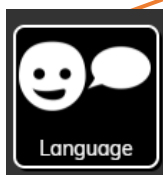

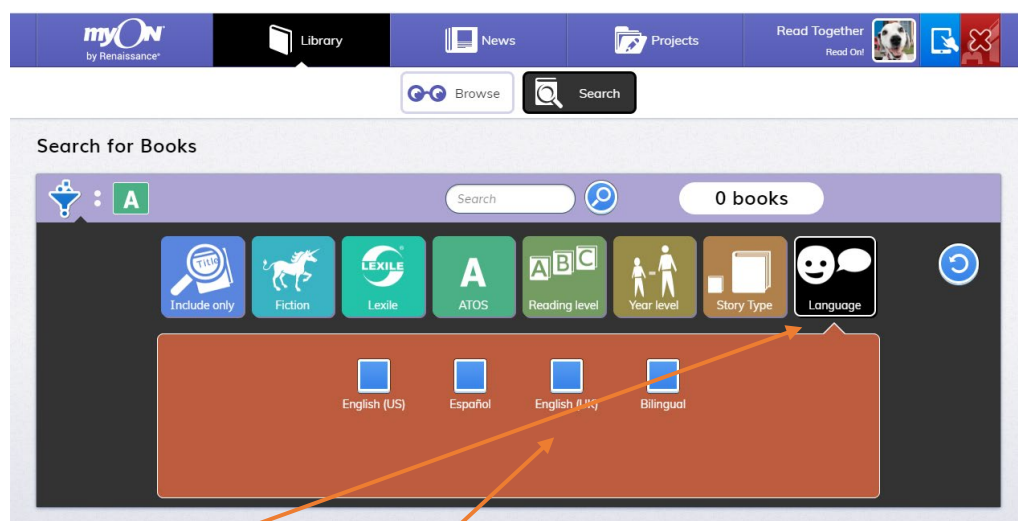

## How to access online reading books

5.

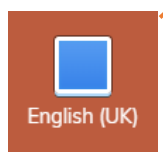

Select the number that links to your child's ZPD ie if I was reading 3.5, I would select 3.

6.

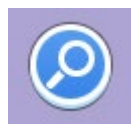

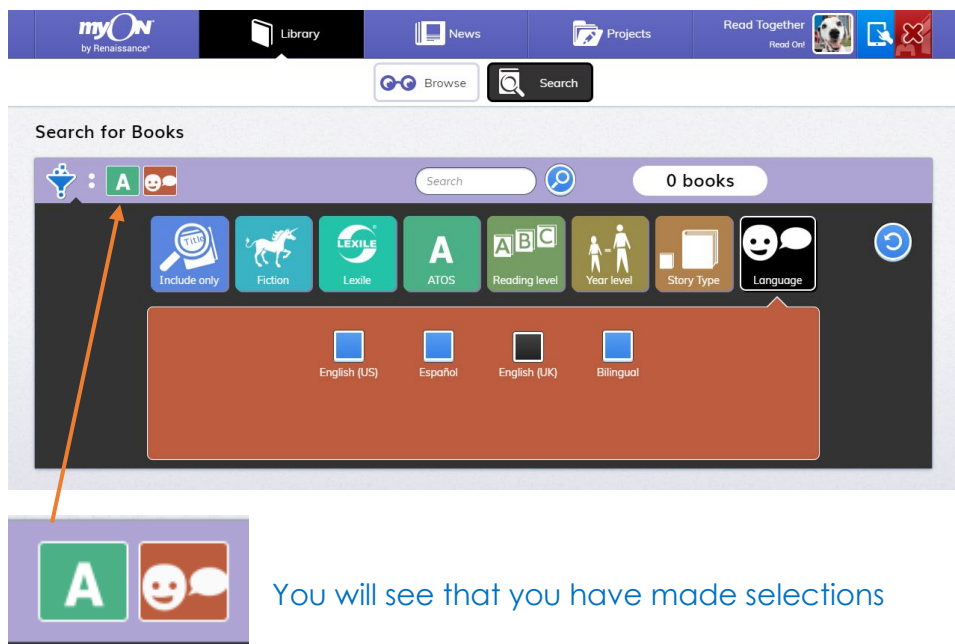

Next, click on the language button

Click on English (UK)

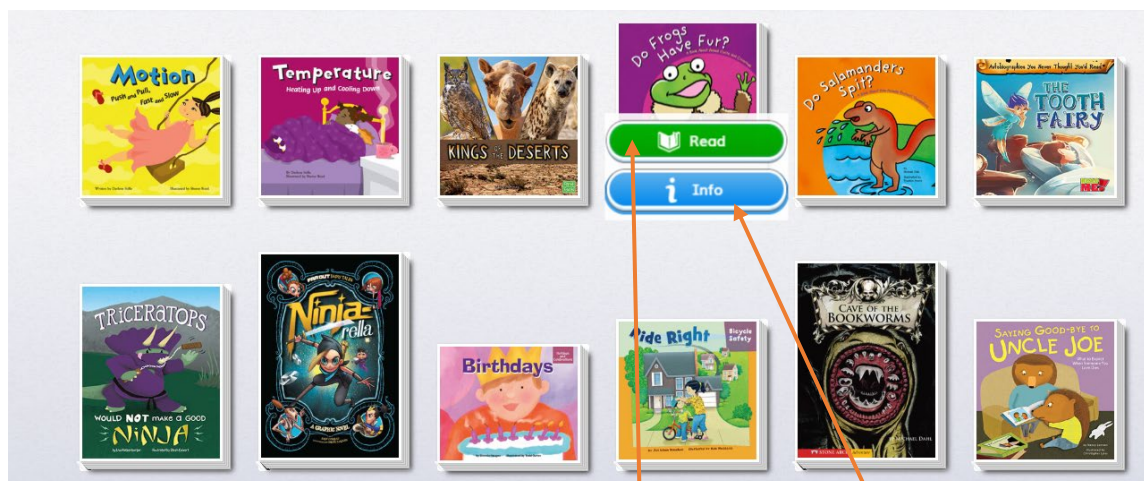

## How to access online reading books

7.

Click on the magnifying glass to search for books.

8.

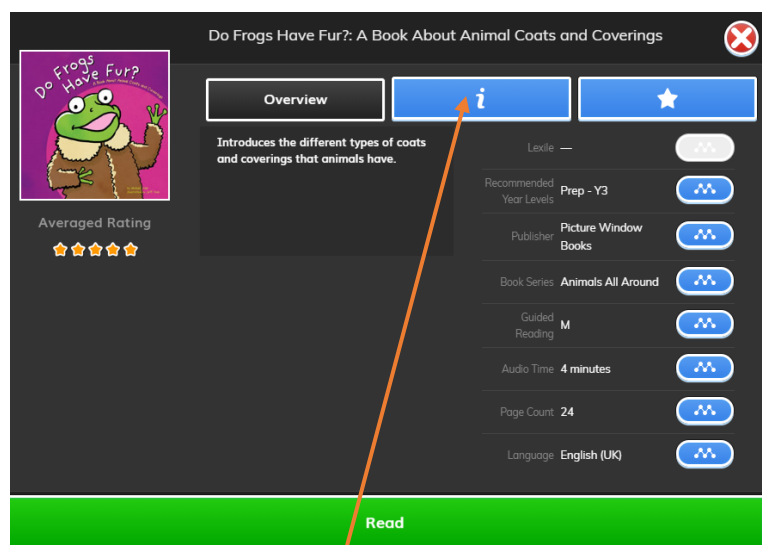

- Lots of books will then appear.
- If you hover over a book you like a  and  will appear.

- Click on 

- The further down the list you go, the more difficult the books are.

## How to access online reading books

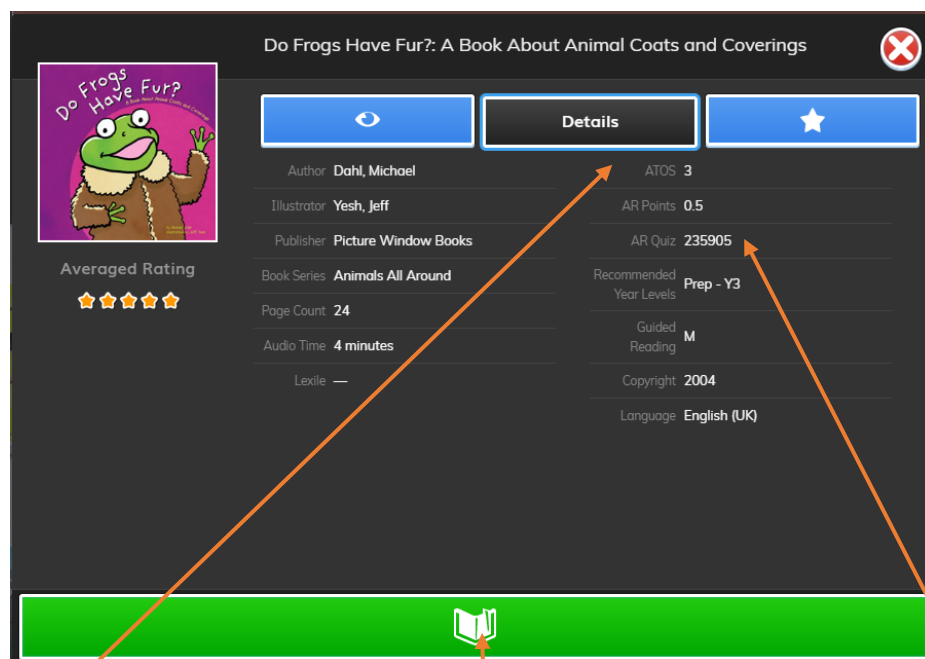

9.

- Click on

10.

This tells you ZPD code for the book.  
This book is 3.0

It also tells you that there is a quiz  
for this book

If this is the book you want to read, click on
