

Dear Parents/Carers,

The children have had a wonderful year and have worked extremely hard. We will build on all of our brilliant learning and experiences in our final half term, Summer 2. This letter will tell you the information that your child will be learning about in class. Further information about their learning can be found on our school website.

### Getting Ready to Come to School

Children will need to come to school every day:

- Wearing their school uniform
- With their bookbag and water bottle
- Ready to learn!

### Our Learning:

|                                                                                                                |                                                                                                                                                                                                                                                                                                                                                                                                                        |
|----------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| English<br>                   | The children will be producing an advert and review to persuade the reader to buy one of Izzy Gizmo's inventions. They will then write a persuasive letter inspired by our text 'The Day The Crayons Quit'.<br><br>In reading we will be looking at a variety of fiction and non-fiction texts, including poetry, instructions, a recipe and stories. The children will answer a range of questions about these texts. |
| Maths<br>                   | We will begin with our 'Time' unit where we will tell the time within 5 minutes, as well as looking at different units of time. We will then begin our 'Shape' unit, looking at 2D and 3D shapes, as well as angles.                                                                                                                                                                                                   |
| Science<br>                 | Our science topic is 'Magnetism'. We will learn about contact and non-contact forces including friction and magnetism                                                                                                                                                                                                                                                                                                  |
| History<br>                 | We will be Looking at 'Ancient Greece'. The children will learn about the contributions made by the city states and how these influence our lives today.                                                                                                                                                                                                                                                               |
| Art<br>                     | In Art we will be looking at 'Mythology'. We will look at different representations of myths by artists from different eras.                                                                                                                                                                                                                                                                                           |
| Religion and Worldviews<br> | During our RE learning we will be answering the question: 'How do Muslims express their beliefs in their daily lives?'                                                                                                                                                                                                                                                                                                 |
| PE<br>                      | Our PE Unit is Football. We will be developing competencies in key skills and principles such as defending, attacking, sending, receiving and dribbling a ball.                                                                                                                                                                                                                                                        |
| Music<br>                   | In Music, we will learn about rhythm and pace using our voices and instruments.                                                                                                                                                                                                                                                                                                                                        |
| Computing<br>               | In Computing we will be learning about Desktop Publishing. The children will learn about editing, creating templates and layout.                                                                                                                                                                                                                                                                                       |
| PSHE                                                                                                           | Our unit is 'Relationships Education'. We will learn about personal space, healthy relationships and equal relationships.                                                                                                                                                                                                                                                                                              |

Below is the day your child will take part in PE.  
On this day your child must wear their PE kits to school.  
Jay Class – Thursday  
Robin Class – Thursday  
Wren Class – Thursday

### Homework

Each week your child will be expected to complete a range of different homework tasks to help support their learning in school. All homework will be found on our school website under the Year 3 page.

|                       |                                                                                                                                                                              |
|-----------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Reading               | Please support your child at home in ensuring that they are reading each day independently and to you. They must also have opportunities to listen to an adult read to them. |
| Learning with Parents | This is a platform we use to record reading at home and in school. Please log all reading done at home on this website.                                                      |
| myON                  | Each week children are expected to log on to myON and read at home. The child who completes the most amount of reading each week will be awarded with a certificate.         |
| Times Table Rockstars | Children are encouraged to practise their times tables weekly on Times Table Rockstars. We have weekly battles between each Year 3 class, can you help your class win?       |

In class we would love to celebrate the amazing work children do at home. This means that any time your child completes a piece of homework, send a photo to your class teacher on Class Dojo so it can be celebrated and rewarded. Children will receive Class Dojo points for completing their homework.

Attached to this letter you will find your child's Knowledge Organisers. You can use the information on their Knowledge Organisers to test your child's recall of facts and their understanding of the new vocabulary listed.

If you require any additional information, please contact your child's class teacher on Class Dojo, who will be happy to assist you.

Thank you for your continued support,

Yours sincerely,

The Year 3 team
