The best in everyone™

Part of United Learning

Tuesday 8th January 2019

Dear Parents and Carers,

Our topic next half term is 'Dinosaurs' and as part of this we have planned for the children to take part in a dinosaur and fossil workshop on Wednesday 16th January.

During this workshop the children will work alongside a paleontologist and become dinosaur detectives looking for fossils. The children will learn when each dinosaur lived, where they came from, what they ate and much more. They will then have a visit from Sophie, a 7-year-old animatronic T-Rex, which will not only entertain your child but will also teach them how T-Rex's lived and survived so many years ago.

In order for this workshop to go ahead, we are asking for a contribution of £4.00 from each child to pay for the paleontologist's time and use of resources.

Please return the slip below and £4.00 by Monday 14th January.

I give consent for my child _____
to take part in the dinosaur workshop and enclosed is the £4.00
contribution.
