

Tuesday 15th October 2019

Dear Parents and Carers,

Our topic next half term is 'What do animals eat?' and as part of this topic we will be investigating different animals including carnivores and herbivores. With this in mind, we have planned for the children to take part in a dinosaur workshop on Tuesday 5th November 2019 (the first day back after half term).

During this workshop the children will work alongside a dinosaur expert and become carnivore experts. The children will learn when each dinosaur lived, where they came from, what they ate and much more. They will then have a visit from an animatronic T-Rex, which will not only entertain your child but will also teach them all about T-Rex's and the foods they eat.

This workshop will cost school £10 per child. We are asking for a contribution of £6.00 from each child to pay for the dinosaur workshop.

Please return the slip below and £6.00 by Monday 21st October.

Dinosaur Workshop

I give consent for my child _____ to take part in the dinosaur workshop and enclosed is the **£6.00 contribution**.

Signed _____
